

2011 Fen Bank Dog Show

The annual Fen Bank Dog Show moved to a new venue for this year and was incorporated into a Fun Day at Surfleet near Spalding. The day was fine apart from one short sharp shower and the 165 entrants all said they had a good time

Alan Redpath, one of the vets from Ellwood and Briggs was our judge and Jo Hill, one of the vet nurses, was steward, they made an excellent team and we are very grateful to both of them. There was a lot of head scratching and deep thought on Alan's part because all the dogs were so good and well behaved. How do you choose who is the most handsome dog out of a class including a greyhound, a basset hound, a yorkie and a heinz57 – and no it wasn't the greyhound!!!!

A special thank you to Judith, Rose and Gordon for manning the stall, to Daphne for the organisation, to Paul for the announcing and to John for the loan of the PA system. And thank you to everyone who came to support Fen Bank.

Results
